BENZEL AVON WATCHES

**THE REVOLUTIONARY
TRANSPONDER
MECHANISM
AMVOX2 Transponder**

It is the fourth anniversary of the partnership between Jaeger-LeCoultre and Avon Parfums, the watch brand's first anniversary since opening its doors in the city of La Chaux-de-Fonds. The anniversary is celebrated with a special watch, the AMVOX2 Transponder, which is a tribute to the brand's 150th anniversary. The watch is a masterpiece of watchmaking, featuring a unique mechanism that allows the watch to be read in both directions. The watch is a tribute to the brand's 150th anniversary, which is celebrated with a special watch, the AMVOX2 Transponder, which is a tribute to the brand's 150th anniversary.

AMVOX2

transponder and AMVOX2 180° transponder – which were created in 2014. The watch is a tribute to the brand's 150th anniversary, which is celebrated with a special watch, the AMVOX2 Transponder, which is a tribute to the brand's 150th anniversary.
